Our reaction to meeting mucky Ava Dalush was the same as any red-blooded male's. We gulped and felt a distinct rush of blood away from our heads to other parts. "I have that effect on men," she sighs. "I don't think I'm any better looking than a lot of girls but I've got the attitude that turns men on: I don't give a fuck, as long as you fuck me right!"

AVA

Our wife leaves Post-Its on the fridge reminding us to "BUY MILK!", on the front door prompting us to "LOCK IT!" and on our cock, reminding us to "USE IT, YOU HORRIBLE DRUNKEN PORNOGRAPHER!" No Post-It needed to remind us to wank over this incredibly fit 30-year-old from Suffolk!

Screening dicks at the flicks

My husband Carl and I recently had a very sexy experience on a visit to the local Odeon.

We arrived feeling horny as he'd just taken a load of sexy pictures of me. I was still wearing my short white dress, suspenders, strappy shoes and no knickers.

> **"His cock was so thick that I shuddered and thought I was going to split in two"**

As we found a seat, a couple of young lads (I later learned they were called Ben and Alex) who were eyeing me up at the bar followed us. They sat down next to me.

I allowed Ben to look down at my pert breasts and partly opened thighs. Once the movie began I slowly moved my hand onto his thigh to gauge his reaction.

When I reached the big bulge in the front of his jeans, I took his hand and slid it into my hot wet pussy that was by now clearly visible.

Carl, fully aware of what was going on, then turned to me and suggested I took the two lads somewhere more private. I knew exactly what the randy bastard had in mind.

I stood up and took Ben's juice-soaked hand. I led him and Alex to the deserted bathroom, leaving Carl sitting there with a big hard-on and a grin on his face.

When we got into the bathroom, Ben and Alex immediately each took a tit in their mouth and sucked my erect nipples. I pulled them away and knelt down in front of them.

I released their throbbing cocks, and sucked them off and licked their balls in turn. Alex had much the bigger cock, and I wanted him to fill my pussy with it.

When he entered me I thought I was going to split in two, his cock was so wide. I soon felt the first of many orgasms shudder through my body.

Not wishing to neglect Ben, I told Alex to fuck me doggy-style so I could suck Ben's waiting cock. The thrilling possibility of being caught made us fuck like stray dogs. It was raw animal sex – just the kind I like!

BANG TO RIGHTS!

Our DVD collection is full of dirty cops – from drug-addled psychos like Gary Oldman in *Leon* to amoral adulterous assholes like Richard Gere in *Internal Affairs*. But the stars of Private's *Dirty Cops* make even Harvey Keitel, the naked dancing, pill-popping, teenage-driver-botherer of *Bad Lieutenant* look like Dixon of Dock Green. Kicking off with *Club International* legend Sandy getting frisked by a couple of randy rozzers before being unceremoniously slammed on the squad car bonnet and her pussy given a thorough going over, we also see suspects shooting at (and over) coppers including Ferrera Gomez (*left*) and some steamy warder-prisoner sex that makes ITV's *Bad Girls* seem like just a bad dream.

After Alex fucked me to another orgasm, it was Ben's turn. I took Alex's cock deep in my mouth as he fired what felt like gallons of hot spunk down my throat.

Ben rammed his cock up my pulsating pussy and fucked me until I came all over his balls and he shot his load inside me.

We redressed ourselves and returned to our seats. Carl was sitting there with a vast erection, knowing I would have cum dribbling out of my cunt and the taste of spunk in my mouth.

After the movie finished I kissed the boys goodbye and Carl took me home and fucked me senseless while I told him every detail of what had happened. I don't know which fuck was better!

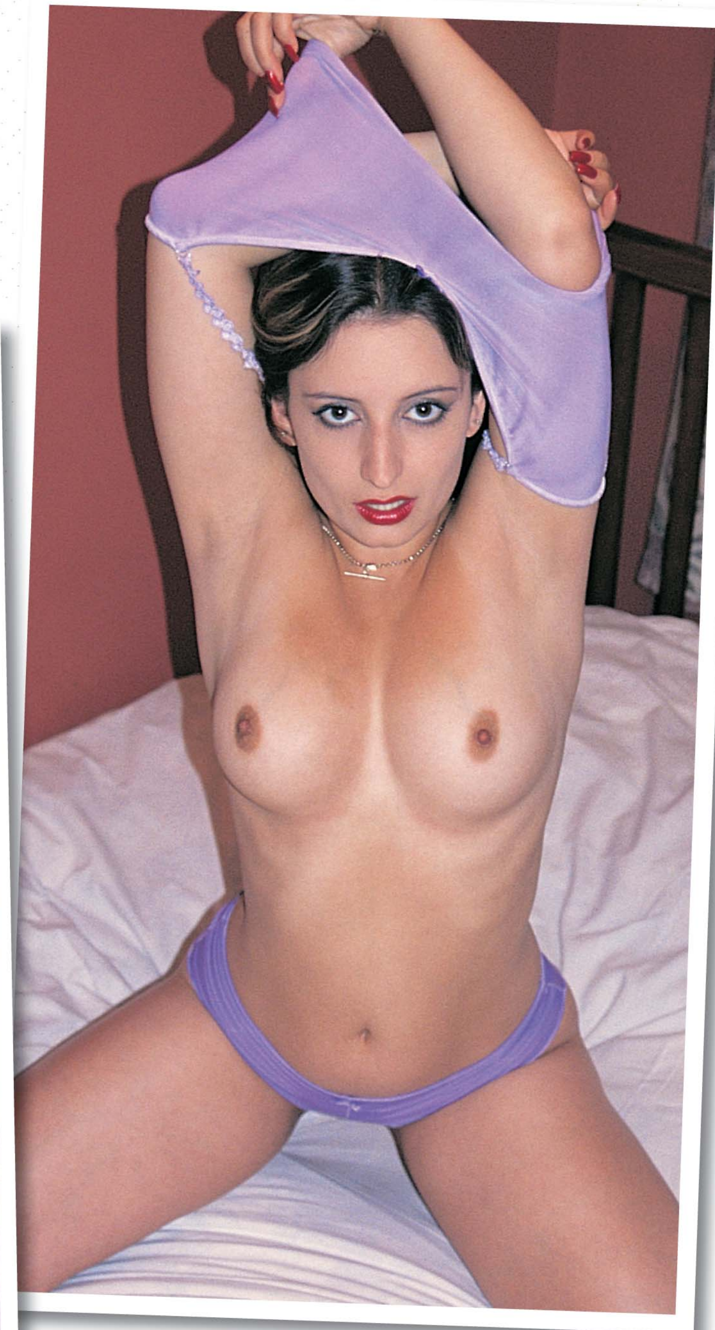
The best man on the job

It all happened at my sister's wedding at a beautiful hotel in the Cornish countryside. I was one of the bridesmaids but my boyfriend was not at the wedding due to work commitments.

I was feeling neglected and I have to admit rather horny. After the reception I found myself in need of some fresh air and went for a short walk in the hotel grounds.

I sat on a bench next to the lake in an attempt to settle my churning emotions. I wasn't alone for long. After about five minutes I was discovered by the best man and his brother.

They could see I wasn't very happy and sat with me for a while trying to cheer me up. I poured out my frustrations and they both put their arms around me to comfort me.



The floodgates opened and I found myself in a passionate embrace with the best man. I didn't seem able to control

myself as I slid my hand down to fondle his stiff cock.

As I released his throbbing member I could feel my dress being lifted. The best man's brother, an usher, buried his face in my crotch and started to lick my dripping pussy.

I sank my mouth over the best man's rod and started bobbing my head up and down. Thoughts of my boyfriend vanished as the usher put his large hot cock inside my pussy.

I was so turned on. This was all so unexpected! My juices were flowing from my well-stuffed cunt and my mouth was full of throbbing cock.

My fantasy of being spit roasted by two strangers was being fulfilled.

I was in ecstasy as I felt my pussy convulse around the huge rod shamelessly pounding inside it and I came for the first time, my pussy walls rippling around the thick shaft.

I could feel the usher's balls slapping against my clit, heightening my pleasure. I reached down to cup and rub his swollen hairy balls.

Finally, after fifteen minutes of fast and furious sex I felt the best man's cock twitch in my mouth. Then he groaned and started whacking off the base of his shaft.

He started cumming and I swallowed as quickly as I could, gulping down great hot gouts of sticky man fluid. I didn't want to spill a drop, worried now about leaving any evidence when I rejoined the wedding party.

The best man grabbed my head and held it in place on his cock as he pumped three, four and then a fifth jet of spunk against the back of my throat.

Finally he relaxed and I felt his cock wilting. I didn't have much time to recover, though, as the usher started to fuck me once again.

He was obviously turned on by the sight of me swallowing his brother's spunk. He didn't last long before he slammed into me and jettisoned his hot seed in my cunt.

When I had recovered I found myself alone again, my pussy still spasming and my jaw aching. I straightened my clothes and went back to the party.

My sister was pleased to see me again and commented on my better mood. If only she knew what a slut I'd been, perhaps she wouldn't have been so happy!

The doctor scratched his head. "This is the first time I've encountered such a problem, but I have a plan. I'll put plasters over two of the holes." The woman is unimpressed: "But that won't make me look any more normal!"

The doctor shrugs, "No, but it might stop you getting fucked left, right and centre."

A couple of old friends were having lunch together for the first time in ages, when one remarked, "Aren't you wearing your wedding ring on the wrong finger?" The other replied, "Yes, I am – I married the wrong man."

TRUE CON

GIRLS, IF YOU LIKE COCK, YOU MAY JUST LOVE PUSSY EVEN MORE. LIKE LUSCIOUS LITA HERE

There's nothing on earth that I love better than a fat cock, but every once in a while it's nice to have a sexual encounter with a little more finesse – and that's where the ladies come in. The only trouble is, I'm married to a six and a half foot bouncer called CJ – not the man to understand my extra-marital needs.

I'm lucky that CJ is a lover of such calibre that all other men fade into insignificance. He fucks me so deep and so long that I'm hard pushed to remember my own name afterwards! With such a prized man in my thrall, I'd be stupid not to be careful about my secret yearning for pussy.

One night I drove to Soho, looking for some female action, telling my hubby that I had a dancing class. CJ doesn't get back till gone five most mornings, which gives me ample time to pull and get a few good hours' shagging in before I need to rush home.

I arrived in the West End and found a spot in an underground car park, away from all the other vehicles. After changing into a tight, black mini-dress and a pair of long, black leather boots, I let my hair down and applied some red lipstick and I was ready. Or was I? Realising I had a bad VPL, I quickly shrugged my underwear off, passing the G-string over my shiny boots before tossing it in the glovebox. A shiver of anticipation passed through me and I couldn't help touching my perky nipples at the thought of the night ahead. I dampened down the flames of passion before I got too into it, and stepped out of the car, feeling incredibly sexy.

I soon found myself in a bar off Old Compton Street, sipping a JD and coke, having cunningly positioned myself so that I could pretend to be interested in the TV high above the bar whilst I, in fact, scoped out the talent on offer. I spotted watching a group of five girls out on the piss, all aged around 18-20, and they were all pretty hot! I was just finishing my second drink when the only natural blonde in the party caught my gaze and held it, her eyes drifting to the hem of my short dress before her attention returned to her friends around her. I reckoned I was in!

I felt a twist in my belly as I admired the way her ample tits pushed at the fabric of her white top. She wasn't a day over 20 and obviously took great care of herself. We continued to make eye contact for another two drinks, finding ways to discreetly touch ourselves up while looking

the other's breasts. I got so wet when she casually deep-throated a bottle of beer, that I had to take my knickerless ass to the toilet before I made a mess on the seat!

I was just closing the door to the cubicle when it was roughly pushed back open from the other side.

"Don't you dare leave me out!" she said, pushing me back onto the toilet seat and locking the door behind her. I shuddered with the raw excitement, my breath catching audibly in my throat. Pushing apart my knees, she knelt on the floor, her hands sliding up my bare thighs like silk.

She certainly wasn't wasting any time! Only pausing briefly to lick her fingers, she quickly massaged my throbbing clit with one hand while inserting her forefinger deep into my pulsing hole with the other. I let out an involuntary gasp of pleasure and writhed a little on the cold seat, allowing the passion to take me. She stopped what she was doing and looked me in the eye

"Ssh!" she hissed. "Don't make a sound – we'll get kicked out." She held my gaze a moment longer before bending her luscious dark lips towards my pussy. I reached up and grasped the cistern behind my head with both hands – I knew I'd better hold on tight for this one! With her right hand, she used my own cunt juices to lubricate my asshole, working two fingers up the tight passage before latching her thumb into my waiting gash, locking the grip into place. I repressed a groan and held very still, the pleasure increasing vastly for my efforts. Her left hand was left free to hold my lips open, aiding her expert tongue, twist my nipples and thrust fingers into my waiting mouth. I kept as still and as quiet as I could, although I felt fit to burst.

"SHE THRUST HER FINGER INTO MY PULSING HOLE"

Suddenly, somebody entered the next cubicle! I tried to shrug her off, to get her to pause until we were alone again, but she was not having it – in fact, she was doubling her efforts! Waves of ecstasy poured over me and I closed my eyes. The hand that was massaging both my ass and pussy suddenly found a rhythm and, before I could stop myself, I was cumming as hard as I ever have – great wracking shudders from the very centre of my being. The toilet in the next cubicle flushed and I let out a sob of pleasure, my noise covered by the sound of the pouring water. The blonde withdrew from me and I slid from seat to the floor, utterly drained by her efforts.

"Cheers!" she grinned, leaving the cubicle. I sat next to the toilet bowl in a daze as she re-applied her make-up and left the room. I had just enough energy to relock the door before someone else came in. I'd been played at my own game and it was the finest orgasm that I'd had in months!

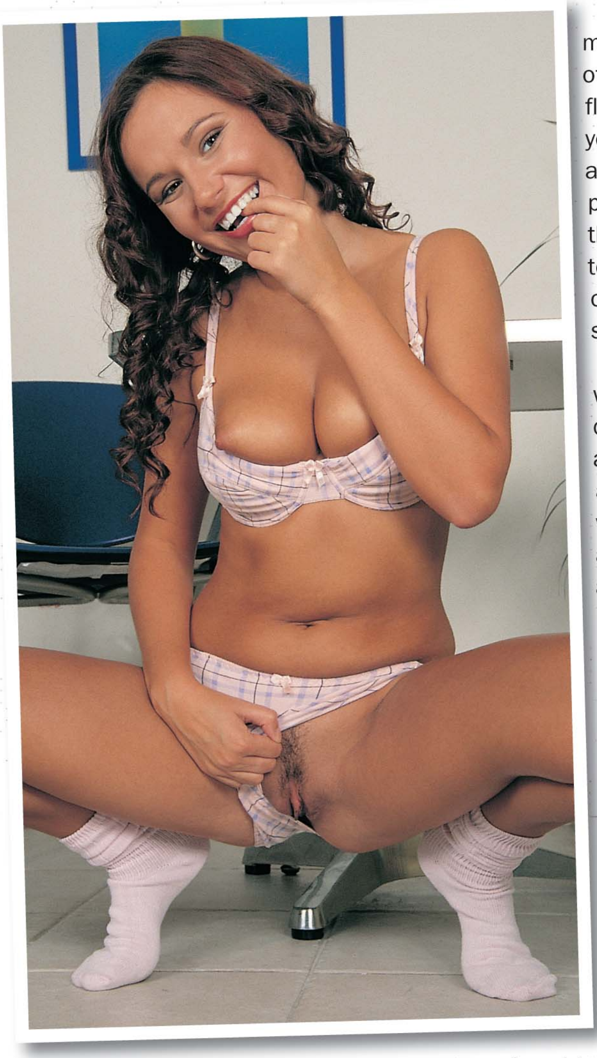
The moan with no name



My husband Dave is a very relaxed person – and that's just as well. I'm a complete nymphomaniac and not all men could handle me!

We've been married for five years and the secret of our success is that Dave encourages me to live out my sexual fantasies. As long as I let him join in. That sounds fair enough to me!

I fingered myself to plenty of orgasms flicking through your last issue and I've finally plucked up the courage to send you one of my own stories.

Dave and I were out in a club. He sat at the bar as normal, watching me as I danced and flirted with other fellas. About ten thirty a pair of black men came over to where I was dancing. We boogied for a couple of tunes – then they both kissed me and even groped my big but sensitive tits through my tight strappy top.

I was surprised at their boldness but it turned me on. One of them leaned close in to me and said, "We both think you are really sexy and want to fuck you. Why don't you come back to our place?"

I asked them to let me think about it and went and checked with Dave. Dave was all for me being fucked by a black man but insisted on being allowed to watch.

The black guys couldn't believe their luck and we all left for their flat. Once we were inside it only took them a few seconds to have music on and drinks in our hands.

They were eager to get it on and soon crowded me on to the large sofa.

My drink was taken from my hand and a tongue was forced into my mouth in a passionate kiss.

I was stripped and pushed down, my legs spread open. The guys got undressed and a snake-like tongue slithered into my pussy.

I was soon moaning with pleasure and I wrapped my legs around his head to encourage him.

The other black man knelt next to my head and pushed his cock against my lips. I sucked his cock deeply and let him fuck my mouth. He knew how to do it, expertly banging all the way to the back of my throat.

I came, bucking and crying as those wonderful feelings tore through me. Now I was really horny and demanding. I sucked and licked the cock that had been fucking my mouth, lay down on their coffee table and demanded that the other one fuck me.

It wasn't long before a cock was eased into my very wet pussy. Seconds later I felt his mate squirting jet after jet of sticky hot cum into my mouth as he cried out that he was cumming.

visit www.paulraymond.com

> “I lay down on the coffee table and demanded that the other one fuck me”

I gasped as the wind was knocked out of me by the other guy thrusting his cock hard and deep into my cunt.

Between gasps for breath I looked down at my belly to see his cock disappearing again and again into my pussy. It wasn’t long before another orgasm was building up inside me and I begged him to fuck me harder.

He stuck my legs up on his shoulders and thrust his cock into me for all he was worth. Then with several loud grunts he splashed his load up me. Every jet of cum seemed to trigger another climax in me until we were both drained and lay there panting.

By this time his mate had recovered and took his place. He turned me on to my tummy and fucked me doggy-style.

Then Dave got up from his seat and presented me his cock for sucking. I could see how turned on he had become because pre-cum was glistening on his rigid cock.

Dave and the black guy fucked me in tandem and filled both ends of me with cum.

It was only when we were on the way home that I realised we had never asked their names.

Oops! I guess that was what made it so exciting!

KATIE

Katie's bush has seen less razor action than ZZ Top's bathroom, and that's the way we like it. "Men love it when they get my knickers off for the first time. They're like 'Wow! I haven't seen one of these for ages!' Nine times out of ten their mouths are straight down there!" she says.

Little Blow Peep has got a joke for us. Well, we're breaking up for the Easter hols so if you could make it snappy, Kacie. "Ahem…" she begins. "Humpty Dumpty sat on a rock; Little Bo Peep was sucking his cock; As soon as he came she started to weep; She knew from the taste he'd been fucking her sheep! I hope all Razzle readers have a happy Easter. Instead of an Easter bunny, I'll be using my Rampant Rabbit!"

Frank & Ines

Lucky fucker

"I fingered her until she bedewed my hand with her sweet juices"

I love to see women dressed in corsets: the way the lingerie exaggerates the feminine shape is a real turn-on, and the fact that a female will squeeze her body into garments that are not necessarily designed with comfort in mind – an item that, by taking inches off her waist, will emphasise the soft globes of her arse and force her bust upwards to display her full, heaving bosom – says to me that she is not afraid of her sexuality and is proud to show off her wares.

Over the years I have purchased numerous corsets for close female friends, enjoying the various different designs and sumptuous fabrics available. Under-wired bustiers and nylon boned basques made from fabrics as diverse as latex, leather, rubber, or an assortment of stretchy satins, brocades, or lace – the choice is endless.

For those of us who are true lovers of the undergarment, there is always the panty-girdle full-body corset, or corselet. These exquisite yet durable garments are available from any department store. I have spent some extremely diverting hours rummaging through catalogues for such cock-thrilling items of underwear to dress up the women in my life. This said, it has always been my dream to find a lady who wore these items while going about her everyday life, and although most of my previous girlfriends have been willing to oblige me now and again, none of them wanted to do so habitually. Until, that is, I met Ines.

We met at the fetish store. She was trying on a rubber corset in one of the changing rooms and was having trouble doing it up. She had popped her head out from behind the curtain to ask her friend to help, when she realised that the friend was now browsing at the far end of the shop.

Always eager to help a damsel in distress, I offered my assistance, and to my delight she agreed. Mentally rubbing my hands in glee, I stepped into the small enclosure and began lacing her up. Ines had her hands braced against the mirrored wall; I stood behind her, and, pushing my knee firmly into the small of her back, pulled as hard as I could on the laces. She was breathless when I had finished, her body moulded tightly into the rubber corset – giving her a wonderful hourglass figure. Her breasts were rising and falling in the half cups, the soft white flesh wobbling attractively as her deep pink nipples peeped out from the tightly stretched rubber cup.

I was mesmerised by the stunning sight of her tightly restricted figure. Her face was flushed and her eyes sparkling as she gently caressed her heaving jugs, then ran her hands smoothly over the shiny corset, as though making love to her reflection in the full-length mirror. Unable to stop myself, I pressed my body hard into her back, and, meeting no resistance, reached around her, touching the sensual rubber garment and groping at her enlarged orbs – my fingers searching the thin material for the outline of her hardened nipples. As I delicately pinched her ripe teats, she ground her buttocks back into my groin.

By now my sac was aching and my erection was straining urgently against the fabric of my trousers. I allowed my hands to wander down to her cunt, and, pulling the damp gusset of her knickers to one side, began to gently invade her pussy with my

"I rubbed my rigid member up against her perfectly rounded rump"

fingers. Tweaking her clitoris between the thumb and index finger of one hand, I delved slowly into her hot depths with the other, my fingers becoming engulfed in the wet confines of her contracting vagina.

She bucked on my hand, the walls of her snatch constricting tightly around my buried digits as her strong muscles gripped me as if she were milking a cock. I pressed my groin harder against her arse, allowing my rigid member to rub up and down against her perfectly rounded rump – the friction wanking it inside my trousers. Her breaths came in harsh little gasps, so I worked her hot slot faster, plunging my fingers in and out of it with an ever-faster rhythm. As I found myself panting and rubbing myself against her more furiously, she gasped and then shuddered – her pussy muscles gripping hard on my fingers – and, as she neared climax, I sawed my cock head back and forth, chafing it against the fabric of my boxer shorts until we came very nearly in unison – my prick spurting globs while she bedewed my hand with her juices.

I was just recovering when a female shop assistant drew back one corner of the curtain to ask if everything was all right. Pulling my sweater down over the seepage on the front of my trousers, I smiled at her, and answered for the both of us: "Perfectly."

Ines was shaking with repressed laughter as the shop assistant walked away, and, taking another look at the corset in the mirror, said, "It seems to have the desired effect – I'll have to buy it." I pulled out my credit card and offered to purchase it for her, hoping that she would model it for me again. Ines accepted the gift graciously.

With Ines waving a goodbye to her friend, we left the shop hand-in-hand. I asked her if this was the first corset that she had bought… And my heart missed a beat as she admitted to me that corsetry was her fetish and that she had quite a number of them at home, then offered to show me.

As I drank my coffee back at her house, Ines excused herself and, to my delight, came back into the room, her arms laden with various different corsets, basques, girdles and other foundation-wear. Laying them out on the floor, she asked me which of them turned me on the most.

When I couldn't immediately decide, she bent and selected one before stripping off completely and posing for me like a 1950s' pin-up. I could barely contain my lust, but before I could make my move, she suggested I take a shower while she put it on, adding that she could not wait to see if I was as good with my cock as I had been with my fingers.

> “Her pussy was steaming hot as we slammed into each other loudly”

Freshly showered, I joined Ines on the bed. She lay propped against a stack of pillows, dressed in a dark blue satin corset, gently fingering herself, the scent of her arousal fuelling my ardour.

Spreading her legs wide, I moved between them, my face close to her pussy while she spread her outer lips with her fingers to reveal the moist pink flesh. Touching the sensitive folds of skin, I ran my fingers over her pubic region. She had shaved, and all that was left was a small patch of hair at the top of her mound.

Returning to her moistened slit, I tugged the delicate hood around her swollen clitoris, and, leaning forward, began to flick it gently with my tongue. She jerked her hips upward, murmuring “Oh yes,” so I took it between my lips and teased it with my tongue. She started writhing under me, the boning in her corset making a delightful creaking noise, and I licked and sucked faster and faster, until she gasped and her body went rigid, her pussy contracted and she squirted – her delicious juices filling my mouth. I was in heaven, my hands gripping her tightly encased waist as I strove to maintain control of my rampant penis.

I rose up onto my hands and knees and moved on top of her – not touching her anywhere with my hands, just allowing my penis tip to rub against the elasticised fabric of her corset. She reached for my prick with both hands, her big breasts pushing upwards as if straining to escape from the restrictive garment. It was such an erotic sight: this beautiful girl, her body moulded into an exaggerated hourglass shape, tits heaving from her exertions as she gently wanked off my big dick.

Guiding it to her snatch entrance, she pushed her pelvis towards my member, pushing it easily into her gash, her rising hips forcing me deeper and deeper inside her. Ines’s pussy was steaming hot, and juices were now pouring from her. We slammed into each other, the slapping noises so loud that I

Lucky Tucker

was sure the neighbours would hear.

She began to climax, and suddenly she was like a wild woman, writhing and throwing herself all over the bed. Her bucking was so violent at one point that she threw me completely off her.

Then she turned around onto all fours, and looking back over her shoulder, asked me to do her doggy. I got behind her and thrust my full length deep inside her gaping fanny. Determined to make the pleasure last as long as possible, I eased up slowly, stroking my pulsing cock in and out of her heated cunt. She half-knelt, her superbly-contoured torso supported by her elbows, her head resting on the bed, that wonderful corset accentuating her voluptuous arse… It was everything I'd ever wished for, and, at length, almost gasping as much from sheer admiration as from lust, I thrust into so deep that I could feel my ball-hairs catching on the sticky sides of her inner thighs. I could hold out no longer and erupted violently, my cock shooting into her depths.

Unsurprisingly, I decided to hang on to Ines and we moved in together two months ago. I'm delighted to say that I've never had so much fun!

ONCE UPON A TIME, IN THE SAN FERNANDO VALLEY...

Fairy Tails

Cinderella XXX: An Axel Braun Parody

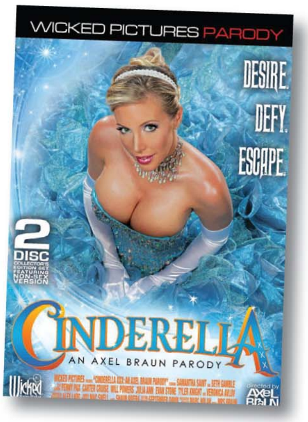
Released by: Wicked Pictures
Starring: Samantha Saint, Penny Pax, Julia Ann, Carter Cruise, Veronica Avluv

BEST BITS: A simple sexed-up retelling of the famous fairy tale, Cinderella. Busty blonde Samantha Saint (*pictured*) plays Cinderella and is an inspired choice – she truly is jaw-droppingly beautiful and can fuck like a train. Sexy MILFs Julia Ann and Veronica Avluv (playing the Fairy Godmother and the Evil Stepmother to perfection) are faultless: Veronica opens the flick in style, giving fantastic variation as she gags on the stunt-schlong before taking it in missionary, spoons, cowgirl and up the jacksie, squirting all the while, and finishes him off with her hands. The lesbian threesome with Cinderella and her two stepsisters (Penny Pax and Carter Cruise) oozes chemistry and it's nice to see none of the girls holding back.

WORST BITS: A B/G/G threeway with Penny and Carter – turned out to be a disappointing blowjob sequence. Samantha's 'sex noises' (yelling and over-the-top moaning) marred an otherwise perfect performance.

4.5/5

DVD FEATURES: Two disc set: great packaging, non-sex version of the movie, tons of bonuses.



Snow White XXX: An Axel Braun Parody

Released by: Wicked Pictures
Starring: Riley Steele, Jessica Drake, Ash Hollywood and Katie St. Ives (*left*)

BEST BITS: Nominated for a Best Parody award, *Snow White XXX* is as high quality as they come. The script, cast, costume, camerawork and production values are awesome, and the sex is as graphic and varied as you would want – think rimming, anal, deep-throating, facials and toys. Stunning Riley Steele (*right*) plays the lead role (and really does look the part), however, the storyline revolves around megastar Jessica Drake's fantastic Evil Queen and, as such, she features in the three best scenes.

WORST BITS: Both girl-girl pairings, though good technically, had no chemistry. Moody lighting made it difficult to see in parts.

DVD FEATURES: A whole disc of extras! Three bonus sex scenes, a non-sex version of the movie, cast script read-through, interviews, behind-the-scenes, photo slideshow, trailers...

She used to be under the sea. Now she wants to be under you!
Summer Brielle
Brooklyn Chase
Riley Reid
Courtney Taylor
The Little Spermaid
A Dreamzone XXX Parody
2 Disc Set

Released by: Dreamzone Entertainment
Starring: Riley Reid, Courtney Taylor, Brooklyn Chase, Summer Brielle

BEST BITS: If, like us, you've wondered what it might be like to be noshed off by a mermaid – Daryl Hannah in *Splash* has a lot to answer for – you should stop wondering and start watching! Opening with cover star Riley Reid clad in a fishtail and a terrible red wig doing just that, the flick gets off to a great start. The sex is great throughout, with each female cast member giving a varied and enthusiastic performance – which is what we put its two Best Parody award nominations this year down to.

WORST BITS: Superstud Evan Stone (who, frankly, is old enough to know better), dressed in the most laughably low-budget 'Titan' costume, is a complete turn-off. After the beach blowie, the rest of the movie takes place in the least imaginative locations.

DVD FEATURES: Behind-the-scenes, movie sampler, photo gallery, trailers.

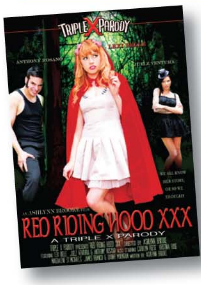
Red Riding Hood XXX



Triple X Parody
Red Riding Hood XXX
A Triple X Parody

Released by: Triple X Parody (Mile High)
Starring: Lexi Belle, Juelz Venturez, Kristina Rose, Carolyn Reese, Magdalene St. Michaels

BEST BITS: The directorial debut of porn starlet Ashlynn Brooke, who also wrote and produced it. Cutie Lexi Belle (*right*) was born to play the title role but Juelz Ventura is the standout star of the movie with her gothic-like costume making her even more ridiculously horny, and her sensuous sexual performance wipes the floor with her co-stars. Kristina Rose has gained a reputation for her fine body of work and her tryst here shows why. Her virtual assault on her partner's prick is passionate and you can tell she's enjoying herself as she gobbles him down like there's no tomorrow.

Image courtesy of Mile High

WORST BITS: Lexi Belle only gets fucked once in the entire film, which is a crying shame. Out of the five scenes on offer, every one is a tradition boy-girl affair. We don't want to say it's boring, but… boring!

DVD FEATURES: Photo slideshow, cumshot recap.

TRUE CON

NAUGHTY KNICKERLESS CAROLINE TAKES A STROLL OUT IN THE OPEN BARE

It's probably not a big thing for most ladies to walk around with no knickers on under their clothes. However, I was brought up in one of the colder areas of Scotland, so it never occurred to me to go commando until it was brought about by necessity last year. What a thrill – I had absolutely no idea that omitting your underwear could be such a big deal!

I was staying at a friend's house after a night out, as I live quite a way out of town and my last train is at a ridiculously early time in the evening. I usually put a spare pair of knicks in my handbag, along with a toothbrush, so I can stagger home the next day not feeling too dirty. That night, however, I forgot, and when I went to look for the previous day's undies, they had completely disappeared. I have absolutely no recollection of taking them off, but I couldn't find them anywhere! Bugger knows where they went: I doubt my friend, Trina, has a predilection for used pants – although you never can tell!

Anyway, I put my little black dress and heels back on and headed for home. I had a coat with me, but it was far too hot for that big woollen thing, so along I bounced, braless and knickerless, my long strides quickly eating up the 40-minute walk home. I was particularly enjoying the feel of the cool breeze on my pussy, and the sensation of the soft material of my cotton dress rubbing against my bare nipples.

The hemline of my dress was around mid-thigh, long enough to cover my bits normally, but there was a bit of light spring wind in the air, and the odd gust blew my dress up more than a couple of inches. I kept on wondering if any passing pedestrians could catch a glimpse of my shaven pussy lips, then, after a while, I started to hope that they could.

Strangely, all the people around me began to look more attractive, and I could feel my pussy lips swelling at the delicate caresses of the breeze. Gradually, my fanny began to seep juice: it dripped down the inside of my thighs, so soon the soft flesh there was smeared with my excitement. The sensation of my slippery thighs rubbing against each other made my nipples get even harder and, as I smiled at the blond man walking past me, I wondered if he could catch a whiff of my arousal on the zephyr. The sweaty walk meant that I could smell the faint aroma of my own musk, and I blushed as the two lads walking past wolf-whistled me.

I found myself taking longer strides, not even trying to hold my skirt down any more, and putting that little bit more spring in my step, so my all-natural C-cups jiggled even more. As the middle-aged man with his

FESSIONS

dog walked past me, staring at my chest, I stuck it out even further, so my stiff nips looked straight at him – he licked his lips and walked past.

When I was a few streets away from home, a pound coin landed with a tinkle beside my foot. I bent down from the waist to pick it up, giving the rather cute 18-year-old boy who'd just dropped it an eyeful of my juicy pussy, with its pink folds shiny wet with secretions.

"HE SAW MY PINK PUSSY, SHINY WET WITH SECRETIONS"

Possibly taking longer than is strictly necessary to pick it up, I could feel his eyes burning into my sticky lips, and when I handed him back his coin, he said nothing, just stared at me open-mouthed.

By the time I got inside my house, I was so horny I couldn't keep my hands off myself. I went and sat down in front of my full-length mirror. Pulling up my dress so it sat around my waist, I splayed my legs so I could get a good view of my pussy. I wanted to see my tits as well, so slipped my straps off my shoulders, and released each mound in turn, tweaking my nipples as they emerged.

My snatch was a hot pink colour, the delicate inner labia framing the tight swirl of my hole, creamy with my serums. A little trickle of my juices dribbled out, and I scooped it up with one finger and licked it. It tasted sweet; my finger searched out my entrance once more, probing at the pink muscle, feeling its resistance against my digit before my hot cunt sucked it in. I felt deliciously warm and squidgy, and I squirmed my finger around inside me, enjoying the way my sticky walls clung, hugging it, drawing it in deeper.

Penetration felt divine, and as I began to piston my finger in and out, I watched myself in the mirror, my cunt gobbling up my digit, pink lips kissing it as I went in right up to the knuckle.

Little strings were attached as I drew it out, my face was red and my nips were hard, and as I pushed it back in my hand made smacking noises against my cunt. I decided I needed more, slipping in another appendage, filling myself, stretching myself, ramming my fingers up my hole and watching the juices dribble down between them onto the floor.

I thought of all the men I had walked past that day, the boy whom I'd shown my pussy to, all those guys who'd seen my bouncing tits, and how they'd get home and be thinking of me as they masturbated.

Shoving my hand inside myself once more, I glanced in the mirror. I looked like a slut, and I started to cum, pussy spasming around my digits, crushing them with its force, and my juices spilling all over my hand, until I was spent.

I'm planning a 'No Knickers Day' at the park this weekend, with an even shorter skirt (despite the cold weather). I recommend you ladies do the same!

TRACY

This is the office where we have our Monday morning meetings. The usual snoozefest was seriously enlivened by the entrance of Tracy, who wasn't interested in our brainstorming for revitalising the porn magazine market ("Break the internet" was the preferred solution) so much as performing a barnstorming strip on the meeting table. "Come on guys, the meeting's adjourned. Stop taking notes – take your cock out instead!"
